Compliance and Standards

All Emperor Firework products are fully tested and comply with all European Standards (BS EN 15947:2015 and BS EN 16256:2012).

Prices & VAT

All prices quoted in this brochure are the Retail Price and are inclusive of VAT at the 20%. Should this rate change, the Retail Price will need to be adjusted accordingly.

Storage of Fireworks

Where more than 5kg Net Explosive Content of fireworks is stored, a licence is required. A licence can be obtained from your local authority. You are required to provide proof of a current valid licence prior to being supplied fireworks.

Selling Fireworks

Retailers who have a registration or licence to store are permitted to sell fireworks at the following times of the year.

- On the first day of the Chinese New Year and 3 days immediately preceding it.
- On the first day of Diwali and the 3 days immediately preceding it.
- During the period beginning on 15th October and ending 10th November.
- During the period beginning on the 26th December and ending on 31st December.

To sell fireworks at any other time, retailers must purchase a separate "All Year Licence" from their local authority.

A poster relating to the illegality of under 18's possessing fireworks must be displayed in full view of the buying public.

If you require any further information, please contact your Representative or our Head Office.
